

## Kathi Vidal “Stands Her Ground” at Fortune Most Powerful Women Next Gen Summit

NOVEMBER 14, 2017

Silicon Valley Managing Partner Kathi Vidal spoke on the “Stand Your Ground” panel on November 14, 2017 at the [4th Fortune Most Powerful Women Next Gen Summit](#) in Laguna Niguel, California. The panel covered tips, case studies, and firsthand experience on the art and science of negotiation.

The Next Gen Summit gathers a stellar group of game-changing executives, entrepreneurs, and innovators in business, along with leaders in government, philanthropy, education and the arts for a wide-ranging conversation. The Next Gen community began with Fortune’s annual Most Powerful Women list, which ranks the top 50 women in corporate America. The list has evolved into a series of live events for an invitation-only audience consisting of accomplished women leaders.

Kathi is one of country’s leading patent litigation and protection lawyers, and an advocate for women, minorities, and our next generation of lawyers.
