

Women's Leadership Initiative in London Hosts Networking Drinks Reception

NOVEMBER 2, 2017

On November 2, Winston's London office welcomed 20 executives from leading companies across the city for our first Women's Leadership Initiative (WLI) Networking Drinks event.

The informal cocktail reception featured a short Q&A session on career progression and leadership with **Shanika Amaraseka**, General Counsel at British Business Bank, and **Sara Hale**, Co-Head of Corporate Broking at Investec. They shared their individual experiences, and attendees had the opportunity to discuss their successes as well as various challenges faced by women in business today.

The event was part of a series hosted by Winston's WLI, an affinity group focused on promoting women in business through global and local efforts. Please visit our [Diversity & Inclusion](#) page for more information on these and other initiatives.
