In his more than 20 years of practice, Jason has built a multifaceted, cross-border project and corporate finance practice with a focus on the construction or renovation of sports stadia and arenas and other large infrastructure projects worldwide.

His experience includes capital markets transactions, including private securities offerings, secured lending, project finance, sports finance, structured finance, and lease finance.

Jason has represented both issuers of, and institutional investors purchasing, privately placed debt and equity securities in a variety of sports finance, project finance, structured finance, and lease finance transactions. Such transactions have included secured and unsecured financings for the construction or renovation of professional sports stadiums (including Yankee Stadium, Dodger Stadium, SoFi Stadium, Santiago Bernabéu Stadium (Real Madrid), Climate Pledge Arena (Seattle Kraken), UBS Arena (NY Islanders), Moody Center (University of Texas), BMO Stadium (LAFC), Levi's Stadium (San Francisco 49ers), Q2 Stadium (Austin FC), the USTA Billie Jean King National Tennis Center, Rogers Place (Edmonton Oilers), Exploria Stadium (Orlando City SC); and KC Current Stadium); performance venues (including MSG Sphere (Las Vegas), YouTube Theater (Los Angeles), and Co-op Live (Manchester, UK)); office campuses and shopping centers; undersea vehicular tunnels, ports, and airport terminals in Europe; wind, solar, and hydro projects in the US, Canada, and Europe; natural gas pipelines; and the financing, acquisition, and disposition of aircraft, vessels (including LNG tankers, and escort and service vessels relating to offshore wind and petroleum exploration), and a wide variety of cogeneration projects.

Jason has also represented both borrowers and lenders in a variety of investment grade and sub-investment grade secured lending transactions. His structured finance experience includes linked-note and securitization transactions tied to both domestic and foreign credits and several financings dependent on revenue streams from power purchase and other off take contracts and media rights contracts.
