

## Nimalka Wickramasekera Speaks at 2017 Berkeley-Stanford Advanced Patent Law Institute

DECEMBER 14, 2017

Partner Nimalka Wickramasekera spoke at the 2017 Berkeley-Stanford Advanced Patent Law Institute: Silicon Valley on December 14. This annual conference offers a results-oriented, in-depth look at the latest developments in patent law and practice.

Nimalka spoke on a panel addressing the Supreme Court's decision in *TC Heartland*, which has fundamentally changed the patent litigation landscape in district courts throughout the country. This panel focused on strategic considerations that are now raised in selecting and challenging venue.

Other panels include:

- The Patents Market
- Is the PTAB Constitutional?
- Privilege in Multinational Litigations
