

## May Wall Speaks at Women's Council on Energy and the Environment Annual Meeting

NOVEMBER 13, 2014

Winston & Strawn partner May Wall spoke at the Women's Council on Energy and the Environment (WCEE) [Annual Meeting and Networking Reception](#) on November 13 in Washington, D.C.

Ms. Wall, a board member and former president of WCEE, made opening remarks. Ms. Wall discussed being an energy and environmental professional today and the value of the WCEE as a leadership incubator and networking group.

Ms. Wall is a partner in the firm's environmental law department. She works extensively in identifying, quantifying, and allocating environmental risks in connection with corporate, energy, and real estate transactions. She provides regulatory, enforcement, and compliance counsel to industrial clients, and she works with developers on siting, permitting, and Brownfield cleanup projects, and with lenders on financing properties with environmental challenges.
