

## GW Law Recruiting Kicks Off with D.C. Office Reception

FEBRUARY 16, 2018

Winston was pleased to welcome 200 George Washington University Law School admitted, current, and alumni students for a reception in our Washington, D.C. office on February 7. Firm members in attendance had the chance to speak with prospective students about their experiences at GW Law as well as life post-grad as a Winston attorney.

The firm participated in the school's "Practice-In-Action" Inns of Court program on February 13. Our attorneys interacted with small groups of law students as they discussed case studies focused on matter management, helping the students to gain a greater appreciation for the skills needed to successfully navigate matters and teams.
