

## Tom Jarvis Presents at Association of Corporate Counsel National Capital Region's Privacy and Data Security Forum

APRIL 26, 2018

International Trade Commission (ITC) Practice Chair Tom Jarvis presented "The Internet of Things (IoT): Cybersecurity, Privacy, and IP Issues," a panel at the ACC National Capital Region Privacy and Data Security Forum: High Tech and Innovation Conference.

The conference, which took place on April 26 in Virginia, taught how the Internet of Things, COPPA/EdTech and Artificial Intelligence will affect your business, privacy rights, data security and intellectual property.

Tom litigates patent and other unfair competition cases at the ITC. Over the past 30 years, Tom has totaled more than 150 trial days as lead trial counsel in ITC Section 337 cases.
