

The Real Deal Webinar Series: Recent Trends & Legal Developments You Should Consider in 2015 - Part I

FEBRUARY 5, 2015

Winston & Strawn presented “Recent Trends and Legal Developments You Should Consider in 2015: Part I – Mergers & Acquisitions,” as part of the Real Deal Webinar series. This webinar was held on February 5, 2015, from 12:00-1:30 pm (Cental) and covered current trends, challenges, and legal topics pertinent to M&A and securities professionals.

The 2014 market for M&A deals in the U.S. was robust, with the year having the most active deal flow since the 2008 financial collapse. And 2015 seems to be off to an equally strong start. Winston & Strawn corporate partner Oscar David led this webinar series and provided a look back at important developments in 2014 and an overview of possible M&A trends in 2015.
