

## Winston & Strawn Recognized in 2015 WTR 1000 Rankings

JANUARY 22, 2015

Winston & Strawn was recognized for the fifth consecutive year by the *World Trademark Review* (WTR) in their “WTR 1000” rankings. The *World Trademark Review* is an independent publication that lists the world’s leading trademark attorney firms and individuals.

“With nine offices from coast to coast and several in key sites in Europe and Asia, Winston & Strawn is in pole position to serve the international trademark protection and enforcement needs of its illustrious clients,” *WTR* said, ranking Winston & Strawn at the national level and in Illinois, New York, and California.

“Litigation powerhouse Winston & Strawn represents the crème de la crème of trademark owners from its Chicago base,” added *WTR*, noting the firm’s robust practice dealing with generic top-level domains. Ronald Rothstein’s first-chair trial experience in class action false advertising, trademark, and copyright suits was also highlighted.

In New York, Winston is a “trusted partner” of Fortune 500 companies and Michael Elkin “does work of the highest caliber on mission-critical litigation matters; he is an aggressive advocate and a skilled communicator.”

Winston & Strawn’s California offices “cater expertly to a wide range of high-technology companies with valuable brands.” Litigator Jennifer Golinveaux is recognized for successfully defending and enforcing the rights of a host of household-name internet and technology companies, and Becky Troutman is noted as a key contact for IP and transactions and all-round strategic counseling for blue-chips across a range of industries.
