

# The Real Deal Webinar Series: Cross-Border Transactions – Part I

APRIL 28, 2015

We are pleased to bring you the next webinar in The Real Deal series, which covers current trends, challenges, and legal topics pertinent to cross-border securities transactions. The webinar, titled “Two-Part Series on Cross-Border Transactions: Part I – Significant Issues in Cross-Border Securities Issuances,” was held on April 28, 2015, from 12:00-1:30 p.m. (Central).

This discussion covered the following topics:

- Recent SEC rule changes and their impact on international offerings
- The extraterritorial reach of SEC regulations
- Accounting and auditing issues
- The impact of the FCPA and other anticorruption statutes
- Recent tax developments
