

## Laurae Rossi Speaks at Infocast Wind Power Finance & Investment Summit

FEBRUARY 10, 2015 - FEBRUARY 11, 2015

Winston & Strawn partner Laurae Rossi spoke at Infocast's Wind Power Finance & Investment Summit 2015. The firm also sponsored the event.

Ms. Rossi presented "Minimizing Transaction Risks" as part of the conference's briefing on buying and selling wind power projects on February 10. This session discussed the key financial, legal, and business due diligence issues that need to be addressed to ensure investor confidence, including dealing with project level risks, contract risks, and ensuring contracts align appropriately to minimize risks.
