

Hiring Right – Interviewing and Background Checks

AUGUST 27, 2015

Winston & Strawn hosted an eLunch titled “Hiring Right – Interviewing and Background Checks” on August 27, 2015, at 12:15-1:30 p.m. (Central).

A company’s most important decision about an employee is often its first decision—whether to hire an individual or not. It is just as important to get the decision right as it is to get the process right, and failing to do so can have wide-ranging and disruptive consequences. Jason Campbell provided a practical, interactive presentation that discussed errors to avoid and strategies to make sure your hiring managers are following the law. Areas addressed during the eLunch include:

- Background checks
- Asking appropriate interview questions
- Using social media in hiring decisions
