Global Legal Insights – Litigation & Dispute Resolution 2nd Edition: USA

AUGUST 2013

This article appeared in the second edition of *Global Legal Insights – Litigation & Dispute Resolution*; published by Global Legal Group LTD, London.

The United States is world-renowned for the efficiency and integrity of its judicial system in resolving criminal and civil litigation. The U.S. court system is split into a federal system and 50 independent state systems. Although there is some overlap between the systems, they are separate.
