

## Winston Sponsors ACI's ITC Litigation & Enforcement Forum

FEBRUARY 22, 2016 - FEBRUARY 23, 2016

Of Counsel Louis Campbell spoke at American Conference Institute's 8th Annual ITC Litigation & Enforcement Forum in Washington, D.C. on February 22, 2016. Winston also sponsored the event.

Campbell presented "Practical Implications of *Suprema v. ITC* on Induced Infringement Method Claims – Are We Back to the Status Quo?" The presentation addressed:

- Understanding the Federal Circuit's interpretation of the limitations of "articles that...infringe" of Section 337
- Debating the status of the articles at the time of importation
- Addressing induced infringement issues presented in this case
- *Chevron* deference — Are we back at the status quo?
- What should we take from the 6/4 split decision?
