Winston & Strawn Sponsors *Legal Week* Corporate Counsel Forum Africa

OCTOBER 24, 2013

Winston & Strawn sponsored the *Legal Week* Corporate Counsel Forum Africa, held on October 24, 2013 in Johannesburg, South Africa.

As the rest of the world looks to Africa as a prosperous hunting ground for future growth, those who are already established in the market understand the challenges faced in reaping the financial rewards. In-house lawyers are increasingly playing a much more strategic role within the organization and are key to mitigating these challenges and paving the path of opportunity. This conference brought together thought-leaders from the African legal community for a day of dynamic discussion and practical advice.
